**MB REAL ESTATE PROMOTES EILEEN FLYNN TO CFO**

**CHICAGO – May 22, 2017** – MB Real Estate (MBRE) announced that it has promoted Eileen Flynn as its CFO. In this capacity, she is responsible for financial operations for all third-party managed assets, including commercial office, healthcare, and government properties.

Flynn has worked in MBRE’s Accounting Services department for over 18 years, serving most recently as SVP, managing director of Accounting Services and Corporate Controller. Her promotion to CFO comes shortly after being appointed to the firm’s Executive Committee.

“Eileen has played an important role in overseeing financial operations for MBRE’s entire portfolio and has offered crucial insights into how we can function more efficiently,” stated Peter Ricker, chairman and CEO of MBRE. “As CFO, Eileen will bolster efforts to maximize profitability by helping our business units better plan for and execute in the future.”

“One way we plan to increase profitability is through our recent achievement of SOC 1 compliance that strengthens business development and allows us to more effectively expand our portfolio,” stated Flynn. “The Accounting department has also focused more energy on automating many of our processes and upgrading systems, strengthening internal controls, and optimizing the company’s overall efficiency.”

In her new role, Flynn will also continue to emphasize the importance of staff mentoring and training.

“I like to stress how important it is to mentor staff to the accounting managers,” added Flynn. “Employees need to feel the value they actually represent to produce their best work.”
