**MB REAL ESTATE COMPLETES LEASE EXTENSION FOR ENSEMBLEIQ**

**CHICAGO** – June 12, 2017 – MB Real Estate (MBRE) announced that Kyle Robbins and Boris Yelyashov of the firm’s Corporate Services & Tenant Advisory team completed a 19,800-square foot lease extension and expansion for EnsembleIQ’s headquarters office.

Stagnito Business Information, a previous client of MBRE, recently merged with the Path to Purchase Institute to create EnsembleIQ, a business intelligence provider, moving its employees into Path to Purchase Institute’s office at 8550 W. Bryn Mawr Ave. EnsembleIQ expanded its office from 12,000 to 19,800 square feet to accommodate additional staff members and anticipated growth.

“We conducted a demographics analysis and found that 8550 W. Bryn Mawr was a superior commute location for EnsembleIQ’s staff,” stated Kyle Robbins, senior vice president of Corporate Services & Tenant Advisory at MBRE. “We extended EnsembleIQ’s lease with flexible terms and helped secure significant signage which will help advance their new branding efforts.”

Stagnito Business Information’s former Deerfield office at 570 Lake Cook Road will be available for sublease in October of 2017.
