MB REAL ESTATE REPRESENTS REVIEWTRACKERS IN RELOCATION AND EXPANSION IN CHICAGO

CHICAGO – Thursday, January 28, 2016 – MB Real Estate (MBRE) is pleased to announce that the firm’s Craig A. McCaw, assistant vice president, has completed a new 10,000 square foot lease on behalf of ReviewTrackers at 320 W. Ohio Street in Chicago.

Founded in 2012, [ReviewTrackers](http://ReviewTrackers.com) is a product based company that gathers critical consumer-generated data to help companies improve their business performance that previously leased 3,300 square feet at 415 N. Aberdeen Street. Due to the company's growth and need for additional space, the firm relocated to 320 W. Ohio, where it will nearly triple its space.

“ReviewTrackers was in need of a larger space in order to accommodate their growing operations,” said McCaw. “320 West Ohio is a loft-style office building that provides the company with a desirable River North location, easy access to public transportation, high ceilings, an open-office layout, as well as the space requirement to meet their current and future business needs.”

“Having Craig as our Broker was extremely helpful,” said ReviewTrackers co-founder and COO Kevin Kent. “We had moved offices four times in three years and for this move we had to make sure the space would endure the expansion plans we have in store. Finding this new office was a large-scale project and Craig’s expertise and coordination was crucial.”

McCaw assisted the firm with its site selection and market analysis, ultimately securing space within 320 W. Ohio. ReviewTrackers moved into the new space in January 2016. McCaw represented ReviewTrackers in the lease negotiations while Jason Schulz of The J. Rich Company represented the sub-landlord, Red Frog Events.
